

# Year 4 - Summer - French Knowledge Organiser

## What I already know...

In Year 4 so far I have learnt 5 colours. I will add to this by learning another 5 colours and the French sounds to make them.

## What I will learn...

- To listen attentively to spoken language and show understanding by joining in and responding
- To explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words
- To speak in sentences, using familiar vocabulary, phrases and basic language structures
- To develop accurate pronunciation and intonation so that others understand when they are reading aloud or using familiar words and phrases
- To read carefully and show understanding of words, phrases and simple writing
- To appreciate stories, songs, poems and rhymes in the language
- To write phrases from memory, and adapt these to create new sentences, to express ideas clearly

## Key Vocabulary

blue	bleu
yellow	jaune
red	rouge
green	vert
grey	gris
black	noir
pink	rose
white	blanc
purple	violet
brown	brun
orange	orange

## Making a difference at The Merton and beyond

Children will learn to expand their French vocabulary and linguistic skills by learning the names of different colours in French.

We will link this to our topic of 'the Key to Happiness' by having conversations about our favourite colours in French.

## Language skills

Disciplinary Knowledge: Skills I will learn...

The linguistic skills necessary to use my substantive knowledge effectively. This includes the structure, phonology and semantics.
